GARDEN RELEAF

A HELPING HAND

Evolvulus Blue My Mind

Evolvulus 'Blue My Mind' (D) A compact shrub to 30cm with flowers for most of the year. Pruning throughout the year will maintain shape and encourage further flowers.

H 30cm W 30cm 140mm & 175mm Pots

Eremophila nivea Blue Velvet is a grafted improved form of Eremophila nivea. It has superior disease resistance and is less susceptible to foliage damage than the normal form while maintaining the vivid blue flowers and attractive silvery grey foliage. It is a hardy drought tolerant plant once established.

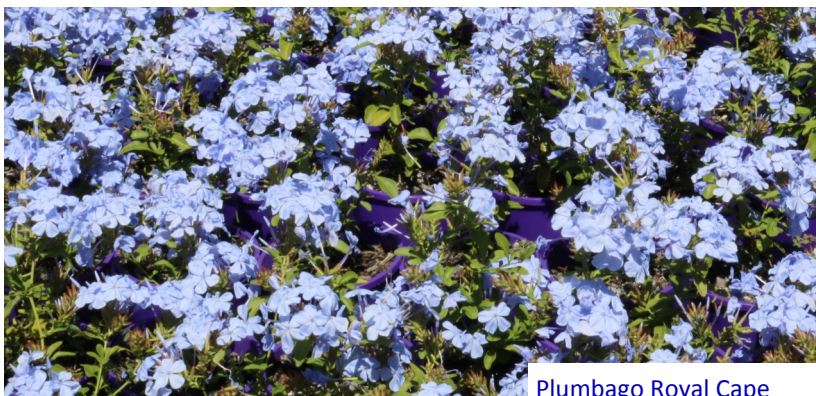

Trim lightly after flowering to maintain a compact habit.

H 1.5m W 1.5m 200mm Pot

Eremophila Blue Velvet

Plumbago Royal Cape produces abundant clusters of deep blue flowers from late Spring to Autumn. A hardy shrub for garden beds or pots. H 1.2 to 2m W 1.5 to 2m 140mm Pot

Plumbago Royal Cape

The benefits of green surroundings in life are invaluable. By surrounding ourselves with plants and trees we are provided with a healthier, happier and more positive life. It's been found that plants can help to relax and renew our body & mind. They enhance concentration, reduce mental tiredness and provide us with the ability to make more positive decisions. The lives we live with today's hustle and bustle could certainly do with every little bit of help we can get. Funds raised from Garden Releaf go to Beyond Blue.

Kleinia Trident Blue

**GARDEN
RELEAF**

A HELPING HAND

Saturday 17th March

Kleinia Trident Blue is a low growing groundcover. It is a great contrast plant for your garden with it's unusual trident shaped foliage and pretty blue-grey colouring. It also suits growing in containers on a sunny patio. It performs well in most locations, preferring well drained soils in full sun. Do not over-water. H 30cm W 100cm 140mm and 175mm Pots

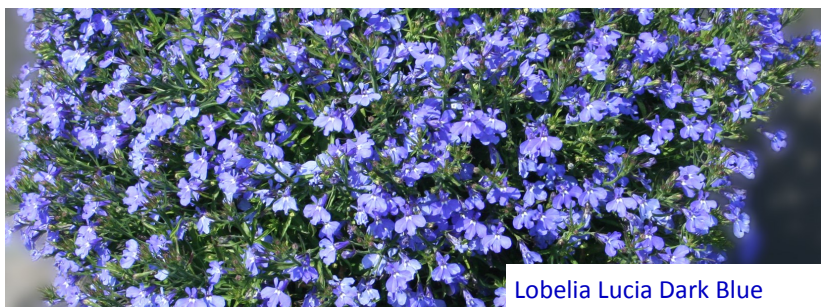

Ramm Botanicals donates 10c to Beyond Blue for every Kleinia Trident Blue plant sold.

Lobelia Lucia Dark Blue is a colourful bedding plant. The vivid flowers contrast against other plants in the garden. They look stunning planted en masse in garden beds or in containers. Plant in full sun to part shade. Fertilize regularly to promote flowering. H 20-25cm W 30-40cm 140mm Pot

Duranta Geisha Girl

Duranta Geisha Girl has delicate, perfumed blue flowers with white centres and edges throughout Spring to Autumn. After flowering, prune to shape and feed with a slow release fertilizer. Position in full sun to part shade
H 1.5-2.5m W 1.5m 140mm Pot

Lobelia Lucia Dark Blue

Rosemary Tuscan Blue is a popular shrub for it's hedging and culinary use, but it gives us so much more! In addition to it's common uses, it provides a positive influence over our mental health and is said to improve concentration as well as stimulating and conditioning hair when used as a rinse. And, that's just a start!
