Saint Mary MacKillop

Callistemon Hot Pink Ⓜ

A compact, small shrub with hot pink terminal flowers in spring with some spot flowering in autumn. New shiny foliage is tinged pink before maturing to green. Great for attracting birds and planting around playgrounds.

Callistemon viminalis Better John™ 'LJ1' Ⓜ

A small shrub with blue-green mature foliage and almost silver new growth. Small bottlebrush flowers appear from mid to late spring. This new variety is quick to establish and easy to grow.

Callistemon Four Seasons

A dense shrub with a pendulous habit and fresh green foliage. It has large bright red flowers throughout most of the year. Useful for planting in parklands and landscapes and ideal for screens and hedges.

Cal. Four Seasons

Cal. Wilderness White

Cal. Hot Pink Ⓜ

Callistemon Wilderness White

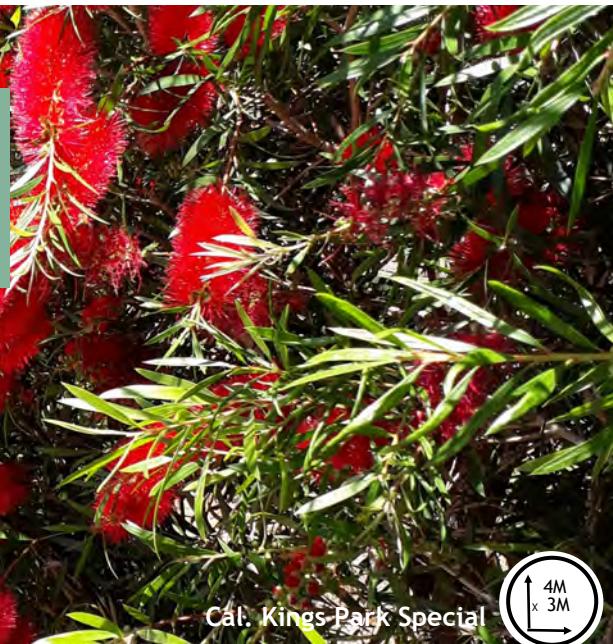

A tall shrub to 3m with a weeping habit. Creamy-white flowers through most of the year are irresistible to nectar feeding birds and insects. Ideal for screes and windbreaks.

CALLISTEMON

Cal. Kings Park Special

Cal. Slim™, cv01 ♂

Cal. *viminalis* Kings Park Special

Tall shrub/small tree with slightly weeping branches. Bright red flowers appear on mass in spring and summer with spot flowering in autumn. Useful for screening, hedging, roadside plantings and commercial sites.

Cal. *viminalis* Slim™ 'cv01' ♂

A tall slender shrub with a narrow growth habit, ideal for areas with restricted space. Red flowers cover the plant in spring and autumn. Ideal for screens/hedges and attracting birds.

Cal. hybrid Saint Mary Mackillop™

A tall dense shrub with a lightly weeping habit. It has bright green new growth and cardinal red flowers from spring to autumn. Frost and coastal tolerant.

Cal. Western Glory

Cal. *citrinus* hybrid
Western Glory

Tall shrub featuring dense clusters of mauve-red flowers from spring to early summer. Great screening and hedging plant.

Cal. Green John™ 'LJ23' ♂

Cal. *viminalis*
Green John™

'LJ23' ♂
A dwarf shrub with small red bottle-brush flowers from mid to late spring. Green John is dense grower, quicker to establish and faster growing than Little John. Ideal for mass plantings and landscapes.

Cal. Saint Mary Mackillop™
