

# GARDENIAS

'Florida'

*Gardenia jasminoides* 'Florida' is a sensory delight, prized for its intoxicatingly fragrant, creamy-white blooms that appear in abundance from spring through summer. This compact evergreen features lush, glossy foliage and a tidy habit, making it an elegant choice for fragrant hedges, patio containers or sensory garden borders.

*Gardenia jasminoides* 'Aimee Yoshiba' brings a heavenly scent to the garden with large double white flowers from spring through summer. These flowers contrast beautifully against deep green foliage. Trim lightly to shape once flowering is finished.

'Aimee Yoshiba'

'Golden Magic'

*Gardenia jasminoides* 'Golden Magic' is a captivating shrub with large double white flowers that transition to a rich, buttery gold as they mature. Golden Magic grows 1m x 1m.

*Gardenia jasminoides* 'Magnifica' is a prolific flowerer covering itself in large, snow-white double flowers. These flowers contrast beautifully against the glossy, deep green foliage. Perfect for sensory gardens or as a fragrant low hedge. For best results trim lightly after flowering to maintain a compact, bushy habit.

'Magnifica'

# GARDENIAS

'Ocean Pearl'

Gardenias' are a timeless classic with beautifully fragrant blooms. Loved by gardeners and landscapers for their captivating fragrance, glossy foliage, and enduring charm, Gardenias' are adaptable and the perfect addition to any outdoor space.

Gardenias' thrive best when they are kept out of direct sunshine particularly from midday onwards, preferring free drained, slightly acidic soils.

*Gardenia augusta* 'Ocean Pearl' is an irresistible, compact variety with a wonderful perfume. It produces delightful, double pearl-white flowers from spring through to the warmer months against lush, glossy foliage.

*Gardenia augusta* 'Grandiflora Star' differs from other Gardenias with its delicate, single white blooms with yellow centres. Flowering is throughout summer. 'Grandiflora Star' is compact, pollinator friendly and perfect for patios.

'Grandiflora Star'

'True Love'

*Gardenia augusta* 'True Love' Arguably the most popular variety. True Love is much loved because of its heavenly scented, stunning double white flowers against the perfect back drop of dark green glossy foliage.

'Radicans'

*Gardenia augusta* 'Radicans' The perfect solution for small spaces, 'Radicans' is hardy and low growing. It creates a wonderful garden edge or container plant for patios.
