TOP DOMUS SELLERS

Agonis flexuosa
Backhousia myrtifolia
Banksia grandis
Corymbia ficifolia
Eucalyptus erythrocorys
Eucalyptus sideroxylon 'Rosea'
Eucalyptus caesia 'Silver Princess'
Eucalyptus torquata
Fraxinus griffithii
Jacaranda mimosifolia
Hymenosporum flavum
Taliparitii (Hibiscus) tiliaceum 'Rubrum'

Fraxinus griffithii 'Flowering Ash'
A fast growing, small tree to 7m. White flowers in spring are followed by decorative, large seed clusters. A great shade tree for parks and large gardens.

Taliparitii (Hibiscus) **tiliaceum 'Rubrum'**
The Cottonwood is a spreading tree to 6m. Ideal as a windbreak/hedge it has red heart shaped leaves and large yellow tropical flowers in spring to summer. Performs best in full sun.

Eucalyptus caesia 'Silver Princess'
A weeping ornamental with white-coated branches, distinctive peeling minni-ritchi bark and a profusion of pink-red blossom-flowers in Winter and Spring.
Juvenile leaves are rounded with mature leaves, long and slender.

TREES

Eucalyptus erythrocorys
'Illyarrie'
A spectacular flowering gum with flowers from February to April.
It has generally smooth bark with the occasional darker, rough patch.
A popular street tree.

Eucalyptus synandra
'Jingymia Mallee'
A small tree to 5m with an open pendulous crown and weeping habit suitable for underplanting.
Delicate flowers from November to March.

Eucalyptus forrestiana 'Fuchsia Gum'
A native small tree to 7m with ornamental flowers in summer. A popular choice for parks, roadside plantings and windbreaks. Also useful to control wind erosion.

Hymenosporum flavum 'Native Frangipani'
A fast-growing, upright, native evergreen reaching 8m, with glossy dark green foliage and a stunning spring display of fragrant, clustered cream flowers that mature to golden yellow.

Agonis flexuosa 'Willow Peppermint'
An Australian native to 12m. It has an attractive weeping habit and the leaves have a faint peppermint aroma when crushed.
White flowers in spring.
